

Schneider Electric UK & Ireland is proud to confirm that

Associated Technology Services Ltd

is an accredited BMS Master EcoXpert™

BMS EcoXperts are authorized to sell, engineer, install, commission, integrate and service Schneider Electric BMS products and solutions as well as provide value added services as part of our customer for life policy.

An EcoXpert™ is a Schneider Electric partner company that is trained on EcoStruxure™, our open, interoperable IoT enabled system architecture and platform.

Graeme Rees

UK & Ireland Channel Manager

A handwritten signature in black ink, appearing to read 'Graeme Rees', is positioned above a dotted line.

Date: 1st June 2022
